

**Project Management:**

Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. Our project management team is capable to make proper planning, budgeting, material handling, quality control in manufacturing and executing the projects. Their expertise in monitoring the production and execution always help us to ensure quality products and services within the stipulated time frame.

**What we do:**

We are one of the market leaders in Bangladesh to manufacture Power Transformers, Oil Type Distribution Transformers, Cast Resin Transformer (CRT), Instrument Transformer, Busbar Trunking systems, Control & Relay Panel, Indoor VCB Panel, Ring Main Unit (RMU), Load Break Switch, Gas Insulated Switchgear (GIS), Power Factor Improvement panel (PFI) and other medium & low voltage switchgear panels, Outdoor Vacuum Circuit Breaker, Outdoor off Load Disconnectors & by-pass Switches, Auto Circuit Reclosers (ACR), Automatic Voltage Regulator (AVR) and Rectifier for power generation, transmission & distribution systems to high impact industries.

**Quality Control:**

Quality control is the set of measures and procedures to follow in order to ensure that the quality of a product is maintained and improved against a set of benchmarks and that any errors encountered are either eliminated or reduced. The focus of quality control is to ensure that the product and product manufacturing are not only consistent but also in line with customer requirements. We are strictly maintaining these procedures in the event of procurement, manufacturing, transportation, loading/unloading, installation and commissioning.

**Flexible Pricing:**

PGT always following flexible pricing strategy in which the final price at which the product or service being sold is open for negotiation. This strategy is common in products or services which are customized as per customer's requests. We always provide our customer flexible and competitive price without compromising products quality.
